All stalls, merchandise and associated structures must be removed from the area promptly after trading hours.
6. It is a condition of consent that applicants agree to the removal, at short notice, of any or all stalls, merchandise and associated structures at any time that they are requested to so do by the Council, any Statutory Undertaker or by the emergency services. Applicants should also note that consent may be suspended by the Council at any time to allow for street works or for any other competent reason.
7. Permission for a regularly recurring street market will normally be granted for a 12 month period to allow the Council to monitor the operation of the facility and to ensure that these guidelines and conditions are being adhered to. Applicants should reapply on an annual basis confirming that the area to be occupied has not changed. Applicants for all markets will be required to provide proof of indemnification against all claims, injuries or accidents with cover up to £5 million for any one event prior to placement of any stalls, merchandise or associated structures on the footway, carriageway or public space and this proof should also be provided with any application to renew.
