SERVICE CHARGE - DIRECT DEBIT MANDATE

THE MODERN WAY TO PAY

Renfrewshire Council recommends Direct Debit as the most efficient and effective way of paying your Service Charges. It's the preferred option of 50% of the UK bill paying population. This mandate can only be used to pay your Service Charges such as District Heating.

HOW YOU BENEFIT

There is no need to write out and post a cheque each time a payment becomes due. Nor do you have to give fresh instructions to your Bank or Building Society if the amount of your Service Charge changes during the financial year. The Council will handle all this for you.

HOW THE COUNCIL BENEFITS

Direct Debit is the most cost effective payment option available to the Council. Direct Debit charges are currently less than 5p per transaction, compared to over 50p a transaction for a local post office or pay point transaction. Direct Debit is the most cost effective way of collecting Service Charge payments and any reduction in the Council's collection costs in turn helps to reduce your charges.

IT'S SAFE

The Bank and Building Societies have strict safeguards to control the Direct Debit System:

- You are always advised in advance of any changes of amount or date, so that you have time to query if necessary.
- You can cancel a Direct Debit at any time.
- You are assured of an immediate refund from your bank if any amount is wrongly collected.

HOW IT WORKS

Payment is made automatically from an appropriate Bank or Building Society in accordance with your instructions. Your payment will be collected on the 7th of each month or the next available collection date if the 7th falls on a Bank Holiday.

Once you have completed the Direct Debit mandate just send it to the address below and we will do the rest.

When we receive your mandate we will confirm to you in writing when the Direct Debit will begin and how much we will be requesting.

If you require a mandate or have difficulty filling it in call us on 0300 300 0222
