Notes

1. The Unique Property Reference Number (UPRN) is a unique reference number given to every location in Great Britain with an address. The UPRN provides a consistent identifier throughout a property's life cycle, from planning to demolition. It can be allocated by a local authority who have the statutory authority to name and number every street and property and by Ordnance Survey who identify objects on the landscape which may otherwise not attract an address.
2. The Paisley and Renfrew Common Good Funds hold property portfolios as part of their overall investment holdings. These properties are leased to a range of tenants including the Council, other public bodies, voluntary & community associations and the private sector. Several property assets are leased to Renfrewshire Council and subleased to Renfrewshire Leisure Limited (RLL) at a peppercorn rental of £1 per annum. RLL now have operational responsibility for the management of these assets.
3. This register includes only those properties which have been assessed by Council officers as meeting the legal tests for common good property. The assessment is based on the state of knowledge of such officers at the time of assessment, both as to the extent of Council ownership and the facts and circumstances surrounding individual properties. The assessment is therefore subject to change, in particular should relevant information come to the attention of officers or should there be any developments in the law relating to common good. Renfrewshire Council therefore reserves the right to amend this register at any time.
4. Renfrewshire Council administers the Common Good Funds and separately accounts for them. They are included within the group accounts of the Council and a copy of the group accounts can be obtained from the address listed below.
